### GENERAL INFORMATION

TERMS—CASH WITH ORDER, PLEASE.

PRICES are net.

Orders of \$2.00 or more are postpaid. For less than \$2.00 please include .25c for postage and packing, also kindly include .20c Special Handling with all plant orders.

PLEASE STATE SHIPPING DATE. All orders will be well packed and all roots are guaranteed true to name and in growing condition. If unsatisfactory upon arrival, or if they fail to start in a reasonable time, return at once and they will be replaced. However, very early shipments are sent at customers risk of freezing, drying, or rotting. Not responsible in any case for more than the purchase price.

We have a fair root crop of most varieties this year and our mid-winter check-up proves that they are keeping very well. However, may we suggest that if you are ordering more than three roots of a variety, will you kindly write us before sending your order in to ascertain if we have them in stock.

ONE FREE ROOT OF OUR SELECTION GIVEN WITH EACH ROOT ORDER. With a few exceptions this has always been our policy and we are glad to do it. Does not apply to wholesale or plant orders.

WE SUGGEST THAT YOU ORDER YOUR DAHLIAS EARLY. All orders will be filled in rotation. We shall be glad to reserve your roots for you and ship at any time that you desire. To save possible disappointment and extra correspondence, may we suggest that you make a second choice of roots when ordering.

Roots to be mailed March 1st to June 1st. Plants May 15th to June 15th.

Our gardens have been state inspected and have been found to be free of dangerously injurious insects and plant diseases.

Spray your dahlia for best results. Leafhoppers are the principal offenders in our locality. Try spraying with D. D. T. every ten days after they come up for a while and see if they do not do better for you.

To all we extend a cordial invitation to visit our gardens during the growing season. Visitors are always welcome. We expect to grow 1,800 hills next season including 25 new Holland and Australian varieties. In addition to the dahlias we expect to grow 750 hardy chrysanthemums which should prove an added attraction. Our gardens are located five miles east of Fairmont, one mile off State Route 73, on the Winfield Road at the village of Winfield.
